

WELCOME, RANJITH P

To get up and running quickly, please follow the steps outlined below.

Send your first emails with Twilio SendGrid

Create a sender identity

Before sending email, you'll need to create a sender identity. There are [two ways](#) to do this, but we recommend creating a Single Sender to get set up quickly and test your email integration.

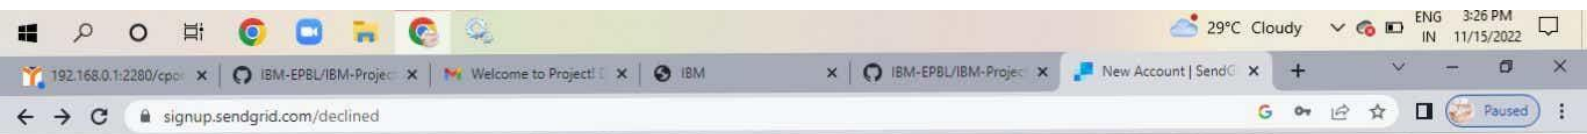

Your sender identity is the "From" email address your recipients will see in their inbox. [Learn more about this.](#)

Classics in Single Gender

Additional information is available at www.elsevier.com/locate/jmb

[Send your first email](#)

Please create a profile identity before reading your first email.

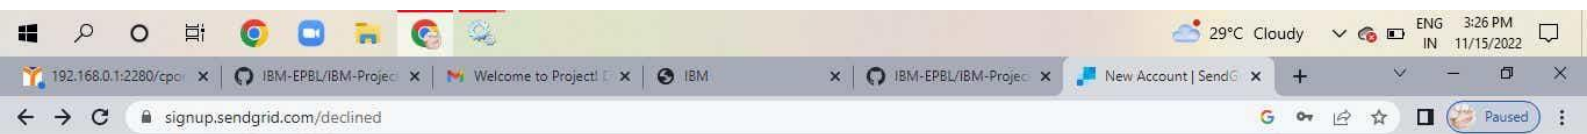

Please provide further information

You will not be able to send email through SendGrid until you provide more information. Please contact Support to answer a few more questions.
